

To Whom It May Concern,

Aztec Trails and Open Space, also known as ATOS, is in the process of organizing the 5th annual **ATOS Earth Day 5K & 10K Run** to be held at 9:00 am April 21st, 2018 in conjunction with National Parks Week. We are looking for local businesses to sponsor the race and make this year the best run yet!

Your donation of \$200 or more will get your logo added to the back of the race t-shirt, a link to your business website on the race event web page, and your name announced before and after the race. A donation of less than \$200 will get your business name added to the back of the race t-shirt, a link to your business website on the race event web page, and your name announced before and after the race. We are also accepting product donations for a post-race raffle and race-bag stuffers, which can be counted towards your donation.

We are expecting over 100 runners this year, so your logo is sure to be seen around town, as well as by the 500+ attendees at the Aztec Ruins free weekend for National Parks Week. All proceeds from the race will go to improving and maintaining trails and open spaces in and around the Aztec area.

We are excited to have great local businesses supporting our event, and would love the opportunity to promote your products and services! Our sponsors and community are what make this event a success. If you would like to make a monetary or product donation it would be greatly appreciated!

For more information please contact Jaclynn Fallon at (210) 286-1525, or visit our event website at <https://www.notquite5k.com/about-atos>. To learn more about Aztec Trails and Open Space please look us up on Facebook.

Thanks and see you on the trails!
